Summary: I had a bar of Stranger Things themed soap for spme reason and showed it to my friend. He gave me this.

Go away dont read

"Will, you smell weird." Mike told him.

He [Will] then isolated himself in the upside down until a police and his mom came to give him soap. In season two he will have flashbacks of him smelling bad. While that happens a girl who likes waffles comes back.

— My friend when I texted him an image of a Stranger Things themed soap bar.
